

52 MUST-HAVE DATE NIGHT CONVERSATION STARTERS

FOR A MARRIAGE AFTER GOD

These 52 unique conversation starters are intended to help you and your spouse jump into intentional conversations as the two of you continue to cultivate intimacy and experience growth in your marriage. As you two experience the next year of date nights, whether you have a “date night in” after the kids go to bed or go out for an evening of fun, we encourage you to use one of these conversation starters to inspire your topic of discussion and enjoy sharing your hearts with one another. Our hope is that over the next 52 weeks the two of you prioritize a weekly date night, and that you have deep, intentional conversations on these date nights about how God is moving in your lives as you pursue building a *Marriage After God* together! One fun way to do this is to print out these conversation starters, cut them up, fold them up, and then place them in a mason jar. That way they are ready to use, and all you have to do is take turns drawing one!
